PRELIMINARY AMENDMENT

Assistant Commissioner of Patents and Trademarks
Box Fee Amendment
Washington D.C. 20231

Dear Sirs:

In the Claims

Please amend the claims as follows:

1. A device for fixating a bone comprising:
- a head portion having an injection site for [removably] releasably attaching an injection device to said injection site;
 - a shaft portion [having a plurality of threads formed there-around and] terminating at a tip portion[.];
 - a cannula extending [about] along at least a portion of a length of said shaft portion, from said injection site on said head portion [into said shaft portion] substantially along a center-line within said shaft portion; and
